

Ethernet Pricing

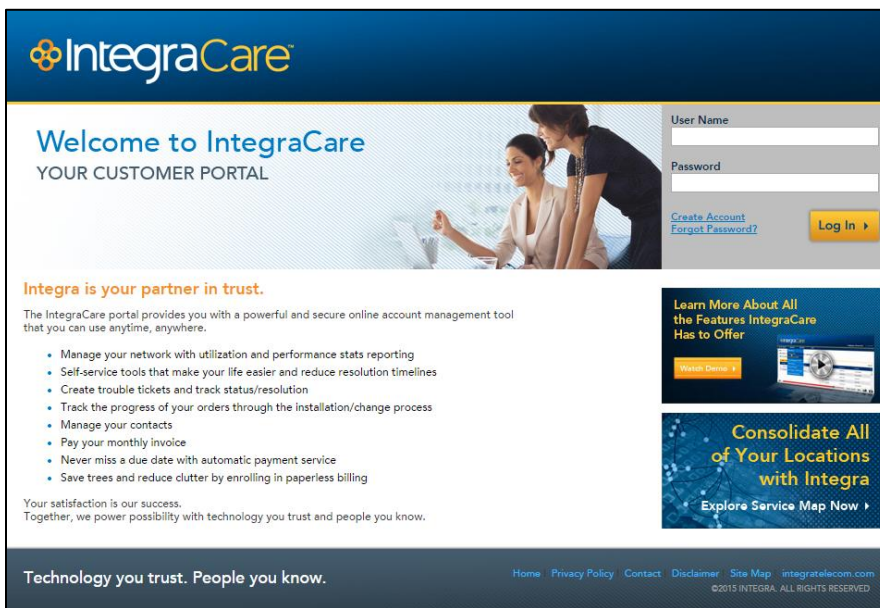

Quick Start Guide

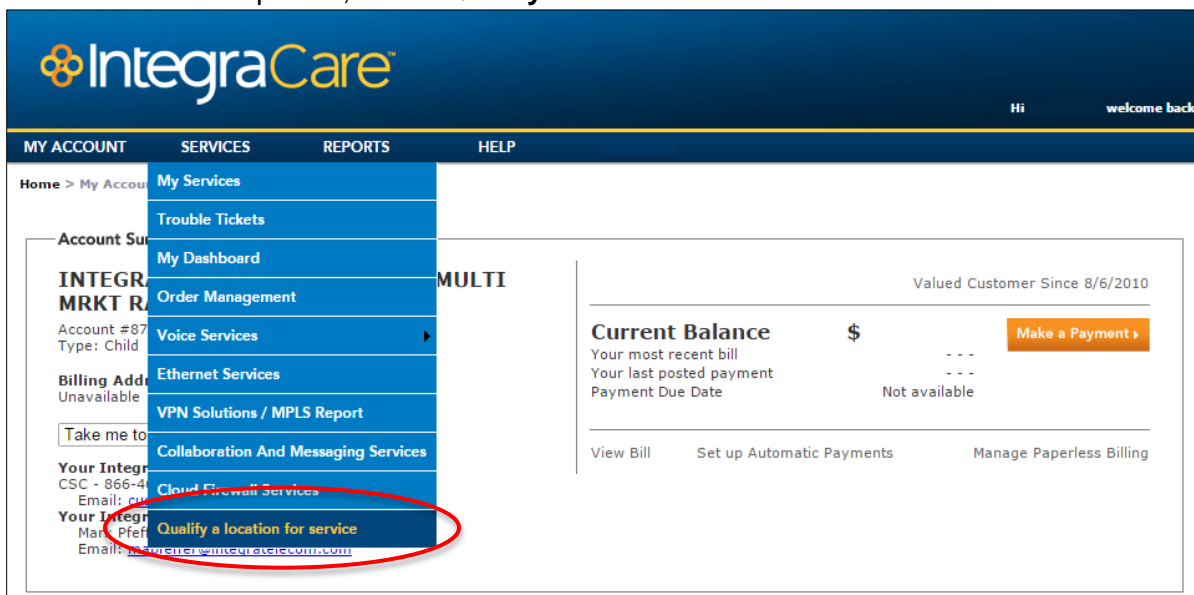

Ethernet Pricing

This functionality is currently only available for Ethernet pricing.

1. Begin by entering your IntegraCare account.
 - a. Visit integracare.integratelecom.com.
 - b. Enter your username and password.

2. In the **Services** dropdown, select **Qualify a Location for Service**.

3. Enter the address in which you wish to inquire about services.
4. Click **Search**, represented by the binocular icon.

Home > Services > Qualify a location for service

Single Address

1201 NE Lloyd Blvd Portland, OR

Although Integra makes reasonable efforts to ensure the accuracy of bandwidth capabilities quoted, actual bandwidth delivered may only be determined when a service is installed, and is dependent upon capacity available at the time of order, and the technical specifications requested.

United States

Mexico

Google

Map data ©2015 Google, INEGI Terms of Use

The map will display the address, LSO, working length (in feet), Ethernet availability, and status along with the available transport type (which will default to EoF if available) and product.
